

EXPRESSION OF INTEREST (EOI)

Request for organizing orientation program on EE Grant Scheme

First published date: 23rd January 2025

Under the Renewable Energy and Energy Efficiency Programme - Green Recovery and Empowerment with Energy in Nepal (REEEP-GREEN), Rastriya Banijya Bank Limited (RBBL), requests Expression of Interest (EOI) from industrial associations interested in organizing orientation programs on the Energy Efficiency (EE) grant scheme currently managed by RBBL. Under the grant scheme, qualified industries are being supported in implementing energy efficiency measures at their facilities with a grant to cover a percentage share of their total investment. It is envisaged that the orientation programs will provide an opportunity for the industries and enterprises to know more about the grant scheme including information about the application process and eligibility criteria. For more information, please contact the address below:

REEEP-GREEN is a technical cooperation project agreed between the Government of Nepal (GoN), the Federal Republic of Germany and the European Union. With the support of GIZ on behalf of the German Federal Ministry for Economic Cooperation and Development (BMZ) and the European Union, the project is implemented by the Ministry of Energy, Water Resources and Irrigation and sets out to improve the preconditions for planning and implementation of measures for the promotion of renewable energies and the efficient use of energy in Nepal. RBBL is a project partner responsible for the grant fund management for energy efficiency in industries and enterprises.
