## Global Money Week (GMW)-2023 Celebration

### Background:

Global Money Week is a global campaign that aims to raise awareness among the young people to ensure that they are financially aware, are capable of making sound financial decisions with the help of knowledge, skills and attitudes and hence to ensure financial wellbeing and financial resilience among them.

The journey of Global Money Week started in 2012 and during the journey of 11<sup>th</sup> GMW event conducted in year 2023 with the global slogan "Plan Your Money, Plant Your Future". The GMW Campaign has reached over 53 million children and youths over 176 countries worldwide. The 11<sup>th</sup> edition of GMW represented an opportunity to weigh the importance of thinking about one's own future when making financial decisions but also – in a wider perspective- the importance of financial education as an instrument to favor a more sustainable and inclusive growth. was co-organized by OECD International Network on Financial Education (OECD/INFE) and the Bank of Italy.

Nepal Rastra Bank Published a notice to all Banks and Financial Institutions to celebrate Global Money Week 2023 from 6<sup>th</sup> of Chaitra 2079 (20<sup>th</sup> March 2023) to 12<sup>th</sup> of Chaitra 2079 (26<sup>th</sup> of March 2023).

### Global Money Week in Nepal

The Permanent Slogan of Global Money Week is intended to:

1. **LEARN to manage money wisely:** It is about educating children and youths about their economic/financial rights and responsibilities so that they can take wise and informed financial decisions.
2. **SAVE for their futures:** saving money for future is one of the wiser decision that people make. Thus developing habit of saving from an early age of life so that planned financial programs could be taken.

3. **EARN for themselves and their families:** livelihood and entrepreneurial skills at early age shapes children and young people in getting job or seeking better livelihood plan for themselves and for their families.

“**Plan your money, plant your future**” is the official theme of GMW2023, which took place on 20-26 March. This theme aims at raising awareness about the importance of adopting a responsible, informed and forward-looking approach in making financial decisions. It also recognizes that future individual financial well-being is strictly linked to the health of the planet and of the society as a whole.
